

## POINT OF ENTRY.

When it comes to describing contemporary elegance we looked at the inspiration you'll find when entering the lobby at Vita on the Lake. Think serenity in a dramatic, light flooded two-storey space with 24/7 concierge service. Furnishings that are chic and comfortable. A clean, modern palette with overtones of international design. Natural materials like wood and limestone cohabit with gleaming metallics and glass to create a dynamic, yet calming, interior environment. Then, of course, there's the lake, a shimmering backdrop to this sublime space.

Welcome home to Vita on the Lake.
